

# Full Life Care's 2020 Fall Campaign **WE PERSEVERE**

We are persevering through these unprecedented times and we need you more than ever! Our goals are to build the community of people who support the mission of Full Life Care and raise \$100,000!

Instead of hosting an in-person fall event, Full Life Care is asking everyone to stay home and invite your networks to **follow** us on social media, **share** posts, and **give** during October.

## YOU CAN HELP

During the COVID-19 pandemic, Full Life has lived our value of perseverance and never giving up on people. Services have continued thanks to our mission-focused team members and dedicated funding partners. Thanks to people like you, Full Life has continued to serve those most at risk for serious complications related to this terrible disease, our older population and others with serious illnesses or disabilities.

More than 85 percent of Full Life's program participants are very-low income based on their eligibility for free or low-cost Washington Apple Health coverage (Medicaid). On average, every dollar invested in Full Life leverages \$9 in support from our State and local government. And research has shown that the preventive, home-based care that Full Life provides saves Washington State taxpayers over \$50 million each year.

Now, more than ever, care and companionship in the community is urgently needed to stop COVID-19, reduce social isolation, prevent costly ER visits and hospitalizations, and fight against homelessness. Full Life Care makes it possible for clients to stay in their own homes and for them, and their care givers, to thrive!

To support Full Life Care:

- **Follow** us on Facebook ([www.facebook.com/FullLifeCare/](http://www.facebook.com/FullLifeCare/)) and Twitter ([twitter.com/fulllifecare](https://twitter.com/fulllifecare)).
- **Share** postings with friends, colleagues, family: ([fulllifecare.org/blog-and-news/blog/](http://fulllifecare.org/blog-and-news/blog/)).
- **Give** during our October push ([fulllifecare.org/ways-to-give/online/](http://fulllifecare.org/ways-to-give/online/)).
